

Dear Parents,

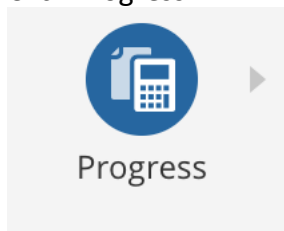

Progress grades are available in the parent portal. Below, I will outline how to find your student's grades in the portal.

If you have not created a parent account, you can find video directions and a link to the portal here:

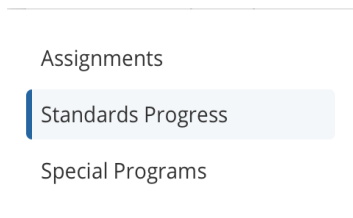

https://www.crpUSD.org/departments/information_technology/powerschool

Once you are in the portal, use the navigation tools on the left-hand side.

Click Progress

Then click Standards Progress

Finally, click Grade History

You will now see your student's progress report, labeled "I1" for Interim 1.

If you need additional tech support, please don't hesitate to reach out to our IT parent liaison, Lystra Hobby. She can be reached at (707) 636 – 8322, or if you prefer email, at familytech@crpusd.org.

Thank you,

Louis Ganzler PhD
Principal, RCHS
